

Powerhouse Manufacturers Need Powerful AP Automation

The most successful manufacturers today embrace digital transformation and financial process automation to maintain profitability and stay competitive. Yooz sets the standard for powerful, all-in-one, no-touch AP automation, helping manufacturers to reduce costs, strengthen supplier relationships, and reduce risk throughout their AP process.

"Successful manufacturers run lean, streamlined, and adaptable operations."

Yooz Eliminates Manufacturing Industry Pains

AP Pain Points

Vendor Relationship Management

Rising Operational Costs

High Volumes of Complex Invoices

Recruiting & Retaining Employees

Quality Control Issues

Pain-Free AP Processing with Yooz

- ▶ Strengthen vendor relationships with real-time data updates and prompt payments. Simplify onboarding using a single email address.
- ▶ Cut costs with a fully automated, paperless process optimizing workflows for enhanced efficiency and control.
- ▶ Automate tasks, eliminate errors, and ensure accurate invoice data capture and verification through AI-driven character recognition and 3-way matching capability.
- ▶ Automated processes boost morale, attract tech-savvy talent, and empower staff to focus on strategic versus routine tasks.
- ▶ Eliminate duplicate invoices, attach supporting documentation, and ensure full traceability throughout the entire Purchase-to-Pay (P2P) process.

Maximize Efficiency with Yooz.

AP Automation for Lean Manufacturing

Budget Management

Gain real-time visibility into cashflow and spend allocation

Complete End-to-End Processing

Speed up cycle time to only hours compared to the 14.4 day average*

Fraud Protection

CFOs use automation for fraud and risk prevention**

Tailored Workflows

Customize workflows for both the invoice and payment approval processes.
