

# YoozVendorStatements

## End Manual Madness with Effortless, Automated Vendor Statement Reconciliation

Tired of time-consuming manual reconciliation work? YoozVendorStatements is a game-changing solution that delivers fast, accurate, and zero-touch reconciliation directly in the Yooz platform.

### The Process

### AP Clerks and Manager

- Reconcile complex statements at scale
- Reduce manual tasks, going from hours to minutes
- Catch discrepancies and reduce fraud risk
- Improve vendor relationships
- Unlimited configurable workflows

### Controllers, Accounting Directors, and CFOs

- Reallocate team members to more strategic tasks
- Lower operational costs
- Shorten monthly close cycles
- Increase ledger accuracy for improved forecasting
- Strengthen audit processes and improve AP assurance

Take the next step towards smarter financial management today.

Achieve reconciliation at scale with the most advanced AI-based automation platform
